

PERMIT REFERENCE LIST

The table below can help you determine what county and/or state government departments to contact for permits that may be needed, or information about for a variety of activities or concerns. This list is not meant to be all inclusive, nor does it imply that permits from other agencies are not required for certain activities.

ACTIVITY OR CONCERN Find the activity or concern you have in the left hand column, then follow across the table to the right to find which local, county and/or state government agency or departments you should contact for more information about that activity or concern, and to find out what permit(s) may be required. When you know the agency you need to contact, look for contact information, beginning on page 4.	CITY OR TOWNSHIP	WASHTENAW CO. BUILDING INSPECTION DEPT.	WASHTENAW CO.
